## "Roar" by Katy Perry

I used to bite my tongue and hold my breath  
Scared to rock the boat and make a mess  
So I sat quietly, agreed politely  
I guess that I forgot I had a choice  
I let you push me past the breaking point  
I stood for nothing, so I fell for everything

You held me down, but I got up (HEY!)  
Already brushing off the dust  
You hear my voice, you hear that sound  
Like thunder gonna shake the ground  
You held me down, but I got up (HEY!)  
Get ready 'cause I've had enough  
I see it all, I see it now

*[Chorus]*

I got the eye of the tiger, a fighter, dancing through the fire  
'Cause I am a champion and you're gonna hear me roar  
Louder, louder than a lion  
'Cause I am a champion and you're gonna hear me roar  
Oh oh oh oh oh (3x)  
You're gonna hear me roar

Now I'm floating like a butterfly  
Stinging like a bee I earned my stripes  
I went from zero, to my own hero

You held me down, but I got up (HEY!)  
Already brushing off the dust  
You hear my voice, you hear that sound  
Like thunder gonna shake the ground  
You held me down, but I got up (HEY!)  
Get ready 'cause I've had enough  
I see it all, I see it now

*[Chorus]*
